NATURE AUDIT

Instructions: For each question, tick yes or no and add notes where relevant.

AWARENESS & UNDERSTANDING

Question	Yes	No	Notes
Do you understand how your activities impact nature?			
Have you identified opportunities to support nature?			
Do you consider nature in your planning or decision-making?			
Are you aware of local nature or biodiversity priorities?			

YOUR SPACE (INDOOR & OUTDOOR)

Question	Yes	No	Notes
Do you have access to outdoor or green space?			
Are there opportunities to introduce plants or greenery?			
Are existing green spaces maintained in a nature-friendly way?			
Are there areas that could be improved for biodiversity?			

SUPPORTING NATURE (PRACTICAL ACTIONS)

Question	Yes	No	Notes
Do you plant or maintain flowers, trees or green areas?			
Do you support pollinators (e.g. bees, butterflies)?			
Do you avoid harmful chemicals (e.g. pesticides)?			
Do you create or protect habitats (e.g. bird boxes, wild areas)?			

ACTIVITIES & IMPACT

Question	Yes	No	Notes
Do your activities consider impact on local wildlife?			
Do you minimise disturbance to natural spaces?			
Do you avoid materials or practices that harm nature?			
Do you look for ways to improve environmental outcomes through your work?			

COMMUNITY & ENGAGEMENT

Question	Yes	No	Notes
Do you involve staff/volunteers in nature activities?			
Do you engage the community in supporting nature?			
Do you run or support nature-based events or activities?			
Do you encourage people to value and protect nature?			

PARTNERSHIPS & WIDER IMPACT

Question	Yes	No	Notes
Do you work with local groups or organisations on nature projects?			
Do you connect with local environmental initiatives?			
Do you share learning or good practice with others?			
Do you contribute to wider biodiversity or environmental goals?			

BEHAVIOUR & AWARENESS

Question	Yes	No	Notes
Are staff/volunteers aware of how to support nature?			
Are simple actions encouraged and understood?			
Are there prompts or guidance in place?			
Are good practices followed consistently?			

INITIAL OPPORTUNITIES

Based on your answers: where are the biggest opportunities to support nature?

TICK THOSE YOU COULD IMPLEMENT QUICKLY

☐	Plant pollinator-friendly flowers
☐	Create a small wildlife-friendly area
☐	Install bird boxes or insect habitats
☐	Avoid use of harmful chemicals
☐	Introduce simple nature-based activities
☐	Encourage staff/volunteers to engage with nature

turn up the value!
